

2021 Grant Opportunity

FEF Mission - Develop teacher and student knowledge about forest landscapes by providing educational opportunities that explore forest environments and the resources they provide our society, today and in the future.

The Forest Education Foundation is excited to offer grant opportunities for teachers developing and participating in forest education programs in 2021. The FEF's guiding principles seek to support teachers to encourage students to appreciate the importance of forests and forest resources and be capable of making informed decisions about the future.

The grants of up to \$1500 will be awarded to help fund the development and implementation of forest education programs. This may include; student projects, school/community events, excursions and incursions, resource development, access to FEF resources, professional learning, classroom supplies or outdoor classroom enhancements that support the FEF mission and educational goals.

Grant Guidelines

- The grant is to be used for projects related to forest/environmental education and be supported by FEF experiences
- Detailed estimate of project costs and desired outcomes to be supplied
- Applicants receiving the grant money will be asked to document the project and complete a Project Documentation Form AFTER the funds are spent
- Grants awarded must be payable to the school
